Sangho Kim

(562) 320-9196 | sanghokim@utexas.edu | linkedin.com/in/danieliscoding | sangzikim.github.io

Research Interest

3D/4D Perception, Multimodal Learning, Interaction Modeling

Selected Projects

1. Zihui Xue, Ami Baid, **Sangho Kim**, Mi Luo, and Kristen Grauman; *"Personal Visual Context Learning in Large Multimodal Models,"* arXiv preprint, 2026. *Under review.* [Link]
2. **Sangho Kim** and Georgios Pavlakos; *"Modeling Multimodal Social Interaction with 4D Human Body Mesh,"* Work in Progress, 2026.
3. **Sangho Kim** and Thribhuvan Rapolu; *"3D Deictic Gesture Target Estimation with Human–Scene Reconstruction,"* Work in Progress, 2026.

Education

The University of Texas at Austin Aug. 2025 – Aug. 2026
Exchange Program, Department of Computer Science *Austin, TX*
- Courses: Visual Recognition (CS 381V, Grad), Learning for 3D Vision (CS 395T, Grad), Computer Vision (CS 376), Neural Networks (CS 342), Principles of Machine Learning (CS 363M)

Sungkyunkwan University Mar. 2021 – Aug. 2027
*B.S. in Computer Science & Engineering, Applied Artificial Intelligence (GPA: **4.0**/4.0)* *Seoul, South Korea*
B.A. in Political Science & Diplomacy (triple major)
- Courses: Computer Vision, Deep Learning, Introduction to Machine Learning, AI Basics and Applications

Experience

The University of Texas at Austin (UT Austin) Sep. 2025 – Present
Research Assistant (Advisors: Georgios Pavlakos, Kristen Grauman) *Austin, TX*
- Research topics: 3D/4D Computer Vision, Embodied Vision, Agentic Frameworks

Sungkyunkwan University (SKKU) Sep. 2024 – Aug. 2025
Research Assistant (Advisors: Sangmin Lee, Jaepil Heo) *Seoul, South Korea*
- Research topics: Spatiotemporal Interaction Modeling, Nonverbal Interaction Detection

Seoul National University June 2024 – Aug. 2024
Research Assistant (Advisor: Hyojin Sung) *Seoul, South Korea*
- Research topics: Embodied AI, On-Device Optimization

Scholarships & Honors

Scholarships

SKKU Chang-Eui Student Success Scholarship – Full tuition, SKKU 2025
KOR-US Presidential STEM Exchange Scholarship – Ministry of Trade, Industry and Resources 2025

Honors

President's List – Sole honoree from the College of Computing and Informatics, SKKU 2026
UT University Honors – College of Natural Sciences, UT Austin 2026
Korea National Talent Award – One of 60 youth selected nationwide, Korea Student Aid Foundation 2025
Minister of Education Award – In recognition of contributions connecting technology, policy, and diplomacy 2025
President's Award – In recognition of founding the university's largest scientific community, SKKU 2025
CSE Rising Stars – One of three honorees, College of Computing and Informatics, SKKU 2025
Director's Award – 2nd Place, AI Autonomous Driving Competition, SKKU 2025
Minister of Foreign Affairs Award – 2nd Place, National Diplomatic Information Utilization Competition 2024
U.S. Presidential Volunteer Service Award – 170 hours of volunteer service during military service 2023
Chief of Staff's Award – For contributions to modernizing the Air Tasking Order production, ROKAF 2023
Dean's Award – 1st Place, Database Management Competition, College of Computing and Informatics, SKKU 2022

Public Service

Sungkyunkwan Artificial Intelligence (SKKAI) Feb. 2025 – Present
Founder; Head of Strategic Partnerships and Outreach *Suwon, South Korea*

- Founded and scaled a student AI academic society to 55 undergraduate and graduate students across 23 majors within its first year, earning the 2025 SKKU Honors Study Club Awards (1st Place, President's Award)
- Launched 8 multidisciplinary programs spanning robotics, hardware, speech, and medical AI; secured $15K in national science funding and resources including 4 RTX 4090 GPUs and 4 LeRobot kits
- Led 11 academic and industry partnerships, including IBM Qiskit Fall Fest for 120 students and LiDAR research with SOSLAB; supported 9 ministerial awards and research outcomes at ACL, ICLR, and JMIR

Ministry of Science and ICT Jan. 2025 – Dec. 2025
Member, Youth Advisory Committee, AI Bureau *Sejong, South Korea*

- Selected as one of 20 members of the Youth Advisory Committee directly under the Minister's Office
- Selected proposals: *"Full-Stack K-AI Alliance Benchmarking the 2025 K-Humanoid Alliance"*; *"Standardizing National Funding for AI at Universities"*; *"Trilateral Student Exchange Program in Emerging Technologies"*

U.S.–ROK–Japan Young Trilateral Leaders Summit May 2025 – Aug. 2025
Delegate of the Republic of Korea *Kansai, Japan*

- Selected by the U.S. Department of State as one of 15 Korean delegates and the sole delegate from a STEM field
- Selected essay: *"Strategic Technology Cooperation in the U.S.–ROK–Japan Triangle,"* in *Why Trilateralism Matters: A Roadmap for U.S.–ROK–Japan Cooperation*, East-West Center and U.S. Department of State, Aug. 2026. [Link]

U.S. Embassy Seoul Feb. 2025 – Aug. 2025
Member, Legation House Council to the Deputy Chief of Mission *Seoul, South Korea*

- Proposed expanding research opportunities for Korean STEM students at U.S. technology companies in discussions with U.S. Embassy leadership

Korea Air Force Operations Command (ROKAF) July 2022 – Apr. 2024
Data Support Assistant, Informative Communications Systems Branch *Pyeongtaek, South Korea*

- Maintained joint ROKAF–USAF communication systems (AFCCS, CENTRIX-K) with the development teams

Volunteer Service

Seoul Artificial Intelligence and Robotics Museum 24 Hours
AI Exhibition Docent *Seoul, South Korea*

- Led hands-on AI education for children, covering diffusion-based art generation, anomaly detection for industrial safety, and the trolley dilemma in autonomous driving

Defense Language Institute Foreign Language Center 20 Hours
Language Instructor *Pyeongtaek, South Korea*

- Facilitated Korean-language discussion practice for U.S. military linguists across proficiency levels

United Service Organizations (USO) 180 Hours
Volunteer Interpreter *Pyeongtaek, South Korea*

- Provided Korean–English interpretation and center support for U.S. service members and their families
